<u>Licensed</u> - Community setting that is licensed by the DHS Office of Licensing (e.g. group homes, supervised apartments, community care residences, etc.)						
<u>Own Home</u> - Community setting that is not licensed by the DHS Office of Licensing.						
<u>IDD Individuals Not Under Services</u> – Numbers are based on reporting from facilities to DDD. This category includes individuals who do not receive services or case management from DDD. They may be served in locations such as nursing facilities, specialized hospitals or similar settings and are also reported by those facilities to other dashboards. Individuals in the category are not part of the overall Community census.						
Out of State	Out of state placements funded by the Division. Settings are typically not licensed by DHS Office of Licensing. Positive-54, Deaths-1					
As a result of data clean-up three Hudson county “Licensed” positives were removed.						

*DHS compiles community totals using data from incidents that are reported by provider agencies and by the families of individuals who reside in family homes. All information is included in the totals reported by the New Jersey Department of Health. Developmental Center data is not represented in Community tables.
